Hello! My name is Arthur Gajewski (artg in the Polka Jammer chatroom, Captain Fireball in other places...) and I have been playing trumpet, clarinet, sax, and vocal cords with LIVEwire since 2013.

I got involved in polka music by attending my hometown festival Pulaski Polka Days as a youngster and watching YouTube videos of the Versatones, Polka Family, etc. Former LIVEwire member Jeremy Seelig student taught at Pulaski High School and moved on to play with Mollie B; he then steered me in LIVEwire's direction, and the rest is history.

When not playing with LIVEwire, you can catch me playing with Polish Connection or filling in with other Wisconsin bands like New Generation or New Polish Sounds. After teaching middle school and high school band in

the Eau Claire area for two years, I now teach high school band in Freedom, Wisconsin
