

Meet Zach

- **Year started w/ LIVEwire**
 - **Full Time:** 2021
 - **Filling in:** 2019
- **Instruments:** Drums, Rhythm Guitar
- **How I got involved with Polka music?:** Both sides of my family are heavily involved in polka music. My mom is a Maroszek from home, so I have tons of aunts, uncles, and cousins who also have the same passion for polka music as I do. I learned how to drum from my dad, Bruce and my grandpa, Roger. I watched and learned, and they are the reason I am at this point.
